#### The Bull On The Cover

To read descriptions of sale offerings one might often conclude that all of the cattle are so good that there is no distinguishing between them. We never try to convey that impression. Down to the last one, we are proud of the cattle in this sale, but that some be better than others is the very essence of the purebred business.

The bull on the cover, Burnton Everlasting, Lot 1, is "something special." He is one of those bulls that comes along only at too rare intervals. We realize we should be keeping him as the junior herd sire at Aberfeldy. In other words, he's our kind of bull—and we think he'll be yours too.

His picture does not do him justice. It was taken two days after he arrived from quarantine. He was thin, then. He will be thin

still, on sale day, because we are using him heavily.

Burnton Everlasting is not the only animal that will catch your eye at Aberfeldy on November 18.

#### The Bull In The Foreground Below

is another of the "something special" kind. This is Aberfeldy Paymaster, Lot 5. The picture was taken just one year ago when we photographed the 1952 sale cattle. He has that typical Drambuie style, thickness, and quality. We are mighty proud to display him, in his yearling form, as an example of the kind being produced at Aberfeldy by Crichton Drambuie and out of great cows like his dam, Calrossie Clipper Hazel. There are several Drambuie calves like this that we assure you would not be leaving Aberfeldy if his sire wasn't still going strong.

# Welcome to Aberfeldy

We are looking forward to your visit to Aberfeldy Farm. It is with pride that we look back upon the manner which you received our first annual offering last year. Those who have seen the 1953 sale cattle are in agreement that they far surpass the good group sold last year.

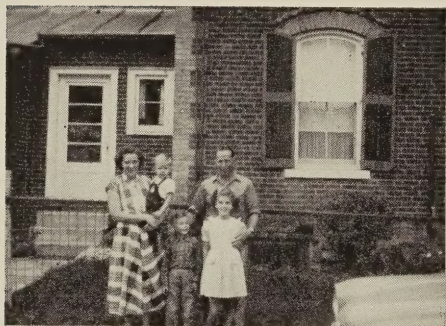

It is our intention to maintain one of the best breeding herds that can be assembled. Practically all of the foundation females at Aberfeldy are imported animals. Half of our sale offering was bred at Aberfeldy. These, we feel are proof of the quality we aim to produce. The remaining half of the sale is made up of imported animals. They are the same type and rich breeding that we have proven out at Aberfeldy. In order to put on a top sale we realize we must sell the kind we would be willing to put right in our own herd. This is just what we have done, and we have sacrificed heavily from our herd to do so.

Many of these imported animals have just arrived from Scotland. Four of them will reach the farm only three weeks before the sale. You will have to appraise them in their working clothes, and when you take them home they will continue to improve and do well for you.

Whether you need cattle or not, you are always welcome at Aberfeldy. Plan to be with us on November 18th.

Our sale will be held as previously, on the Aberfeldy Farm at Weston, Ontario, where the breeding herd will be maintained until spring of 1954. They will then be moved to our new location at Milton, Ontario. The original farm being sold for industrial purposes.

For prompt attention address all correspondence to Milton, RFD 5, Ontario.

Aberfeldy Farms, Weston, Ontario Gardhouse Sale,

**Nov. 18 (7:00 p.m.)** The Sale of the Stars,  
Toronto Royal Winter Fair,

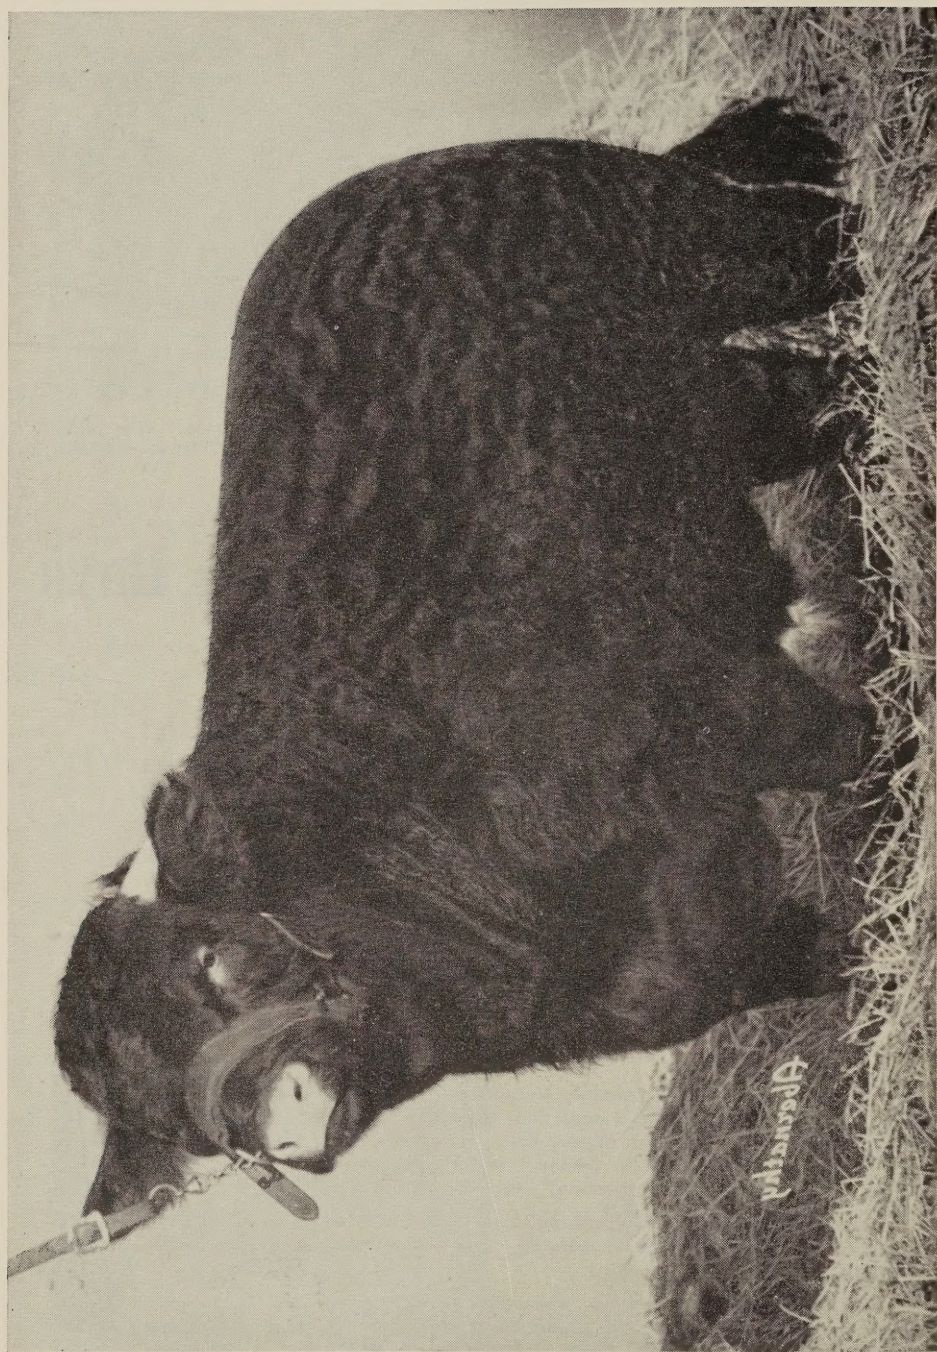

**Nov. 19-20** Judging of Shorthorns at the Royal  
stock show Winter Fair, Canada's greatest live-

Are you like a lot of people? Very busy, but still eager to see as many good Shorthorns as possible. We suggest that you come for the Royal Club Sale and stay for the judging at the Royal Winter Fair. However, if you can only be away for a very short time, we'd like to remind you that you can see and bid on more good Shorthorns on November 18 than any other day of the year.

It is possible to leave Chicago and other eastern cities on the evening before our sale and arrive early the next morning. You can return overnight that evening after the Sale of Stars.

Our sale is scheduled at an unusually early hour—10:00 A.M. so that you will have time to return to Toronto, inspect the cattle at the Winter Fair, and have dinner before the Sale of Stars. Aberfeldy is just a 20 minute drive from downtown Toronto. We will provide transportation from the Royal York Hotel sale day morning.

Aberfeldy Model by Crichton Drambuie. Now in service at Hi-Ho Farms, Phoenix, Maryland. A full brother, Aberfeldy Prefect, Lot 7, sells.

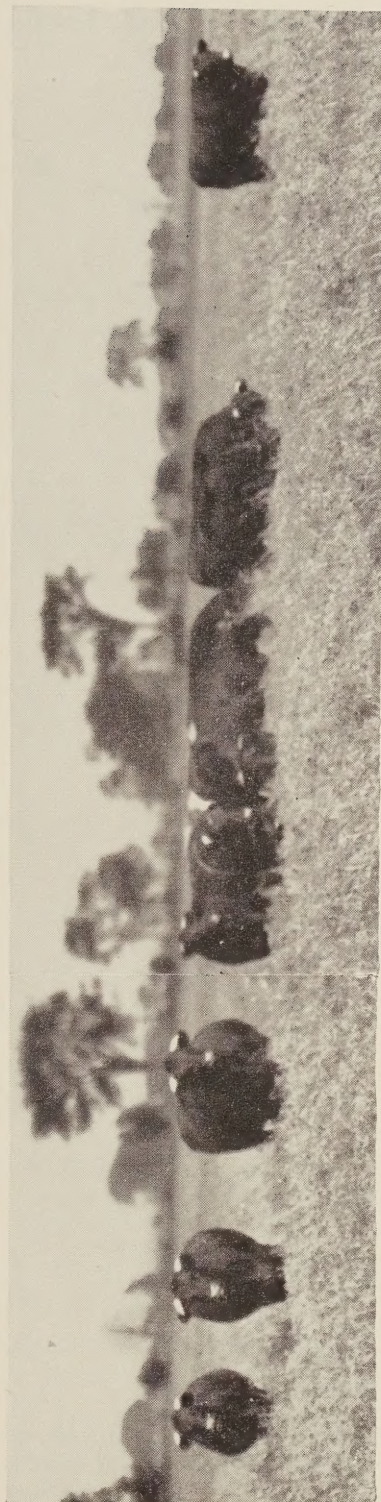

Reford Gardhouse is one of those individuals who has "know-how". He knows the kind to buy and does it. Five years after he took over the farm, following the complete dispersion of the family herd, he had assembled one of the greatest herds of the breed, was winning consistently at the Royal Winter Fair, C. N. E. and International, had judged the show at Perth, Scotland, and had put on one of the breed's top auction sales of the year.

I say this not because Reford needs or looks for

any eulogies. This should, however, make it easier for you to understand how, when he made up his mind to assemble a 1953 sale offering that would be second to none, it is no surprise that he was able to do it.

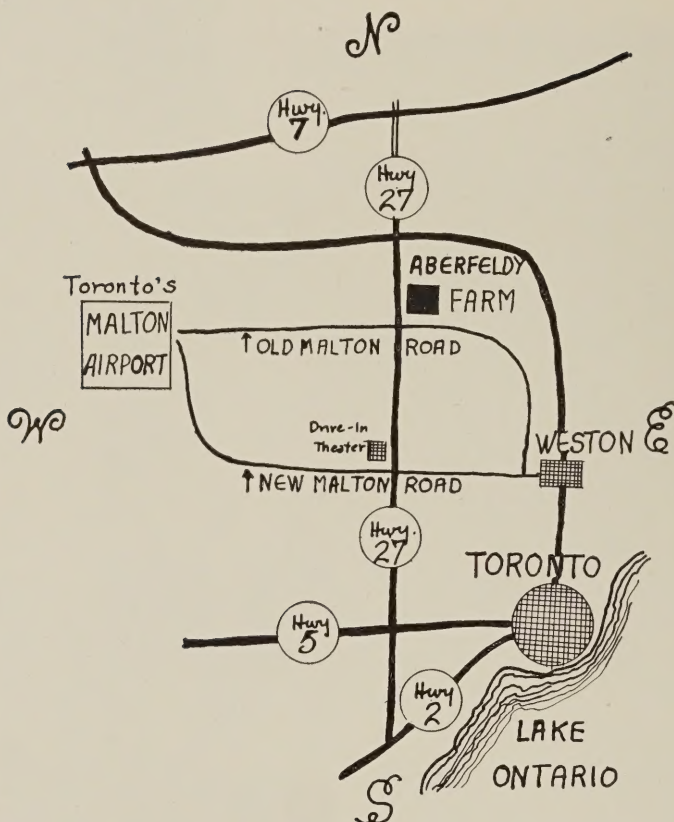

This sale offering can be summed in one simple statement—Guardhouse has 'em!.

## Here's How To Get There . . .

Toronto is a central communication point. Frequent trains and planes from both Eastern and Western Canada. Overnight by train both ways from Chicago and other eastern cities. We will be pleased to meet your train or plane. The farm is only two miles from the main airport.

### — Getting Your Cattle Home —

**East or West from the Winter Fair**—Our cattle will have all the papers necessary for immediate shipment and can be sent with pool shipments from the Royal Winter Fair. We will take them to Toronto free of charge and load them on box cars. This applies to cattle going anywhere.

**To the International**—We can combine purchases with our own or other cattle going to the International.

On cattle going to other points we will be glad to hold them until you can make the best shipping arrangements.

A few of the cows and calves in this sale.

## OTHER IMPORTANT INFORMATION

**HEALTH**—See guarantee on page 54.

**HOTELS**—We will be happy to arrange accommodations for you. The Royal York Hotel, Toronto, will be sale headquarters. Please notify the sale manager or Reford W. Guardhouse, Weston, Ontario, in advance. There are a number of good motor courts near the farm.

**AUCTIONEERS**—C. D. Swaffar, Tulsa, Oklahoma and Jim McKinlay, Morpeth, Ontario.

**MAIL BIDS**—Those unable to be present but who desire to take advantage of the buying opportunities in this sale may contact one of the following men, either at the address listed or at Aberfeldy Farms:

H. R. White, Secretary, Canadian Shorthorn Association, Gummer Bldg., Guelph, Ontario.

E. H. Stoltz, Eastern Representative, Canadian Shorthorn Association, Aurora, Ontario.

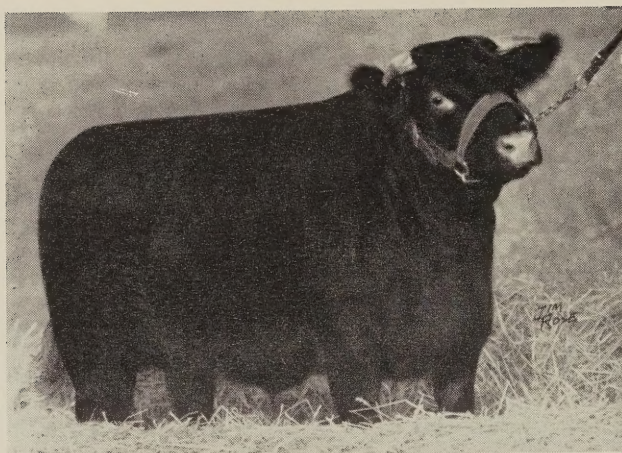

E. R. Henderson, Western Representative, Canadian Shorthorn Association, Saskatoon, Saskatchewan.

Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois, or any of the auctioneers.

Last minute communications should be addressed to the Royal York Hotel.

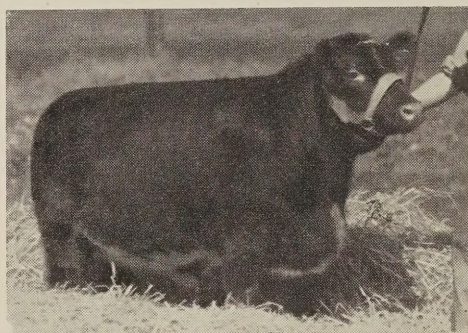

**BREEDING DATES**—A complete list will be furnished sale day.

Burton Princess Royal 8th by Beaufort Bolido. Purchased for \$2,800 by Kickapoo Farms, Kenosha, Wisconsin.

Aberfeldy Butterfly Gem. This cow was purchased for \$1,700 by M. H. Pimmett & Sons. They showed her at the 1953 C.N.E. and won first in class. The calf they received out of her by Westdrums Lancaster Chief topped a class of 11 junior heifer calves at the 1953 C.N.E.

Burton Princess Royal 7th by Calrossie Victorious. Purchased by Acadia Farms, Northfield, Ohio, for \$2,800.

**Aberfeldy Prince.** This sensational nine month old calf by Crugleton Nyren topped our sale at \$5,000. He was purchased by Mrs. W. J. Gartley, Brae Lodge Farm, Inglewood, Ontario.

**Aberfeldy Orchid, left,** purchased by the Waterloo Cattle Breeding Unit, Waterloo, Ontario, for \$1,500. **Aberfeldy Outcome, right,** purchased by Jack Robertson, Hobe Sound, Florida, for \$3,000. This pair of bulls placed first at the 1952 C.N.E. They are both sired by Crichton Drambuie.

Crichton Drambuie—We went to the International in 1950 with the first Drambuie calves. One topped the sale at \$5,000. They were the first-prize junior get and second-prize senior get. Also, the first-prize pair of bulls. Since then, one calf crop after another has gone to the top. The 1953 selection is the best. His calves excell in thickness, good heads, smoothness, and stand on sturdy, well placed, short legs. There can be no question but that he is one of the most potent sires of the day.

Westdrums Lancaster Chief—One of the first sons of the Perth champion, Cruggleton Account. Grand champion of the 1952 C.N.E. We declined many attractive offers to sell him. We had no intention of selling him, but when John Marquart, Bartlett, Texas offered \$15,000 we said yes. It was with the understanding that we could keep him until we had a group of sale heifers safely settled. His first calves will be sold in this sale. They are among our best.

## Four Imported Bulls

To make this catalog easier to study we have divided it into three sections—the imported bulls, the 1953 Aberfeldy show herd, the imported females. The first four lots are bulls we purchased in Scotland. Millhills Jupiter and Aldie Cavalcade were picked with the idea of being sale headliners. It was our intention to pick between Burnton Everlasting and Crichton Langton for a junior herd bull.

---

### Footnote For Burnton Everlasting . . . . Lot 1

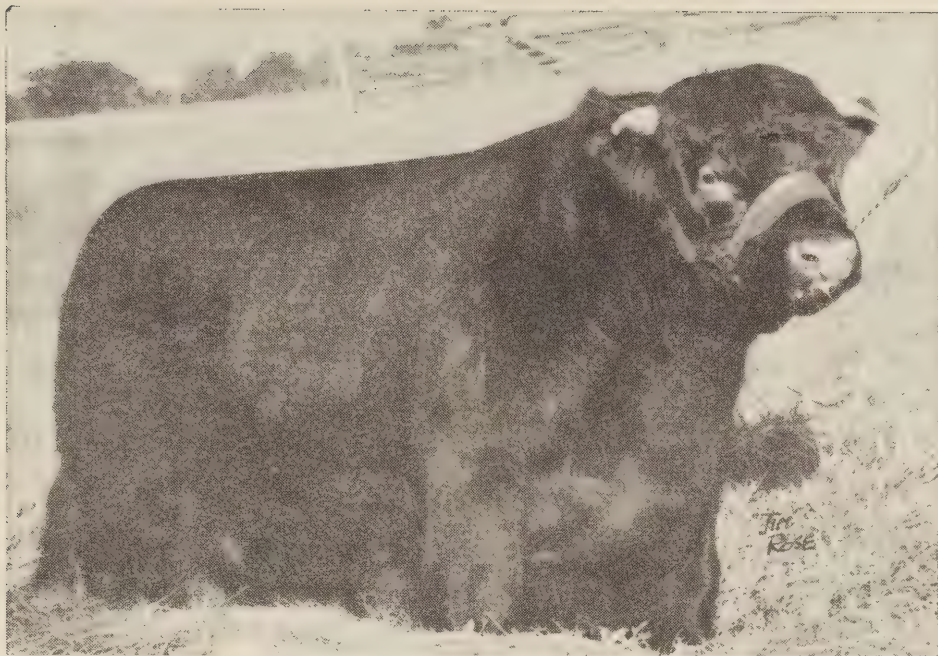

Burnton Everlasting (imp.)—This is a bull we have no business selling. He is what we have been looking for in a junior herd sire. We believe he can take that spot in any herd in North America. He is being sold because we realize what a sale attraction he should be, and secondly because we will use him heavily between the first of September and sale day. The picture was taken the day after his arrival from quarantine and it does not do him justice. He has a great head and wonderful bone. Although not fat he shows marvelous natural thickness and fleshing. He is a stylish, low set bull, grand on parade. We purchased him privately from the Anderson Bros. who regarded him as one of the best they have developed. He has developed wonderfully since we bought him.

Corrimony Golden Sovereign . . stock bull in the Anderson herds of Kair, Burnton, Morpie. One of the most talked about sires in Scotland. His progeny have done exceptionally well . . . ask anyone who has seen the Mathers cattle this year . . their 1953 tops could easily be by him. The reserve senior champion female 1952 International was by Corrimony Golden Sovereign.

Queen Victoria 2nd is considered the best cow in the Anderson herds.

Aldie Cavalcade (imp.)—Placed 5th in Perth 1952. Chapelton Baronet—Senior stock bull at Aldie and the sire of Aldie Bequest, reserve champion Perth 1949, selling at 3100 guineas to Glassel. Chapelton Baronet is also sire of Aldie Red Gauntlet, sold to Calrossie for 3600 guineas and many other high priced sons.

This bull just arrived at farm in September in very moderate flesh, but gives every promise of being a real stock bull. Good head, good lines, and stands on very good legs. All he needs is feed. A top prospect.

**CAN YOU TELL A GOOD ONE  
RIGHT OFF THE BOAT?**

A number of the imported sale cattle arrived in September. Still others will arrive only three weeks ahead of the sale. These cannot be brought into bloom—they will be in thrifty, but moderate flesh. If you can tell a good one "right off the boat" you can buy at far under their actual worth.

Calrossie Clipper Cecile (250929)  
Red roan, J. MacGillivray

Aberfeldy Paymaster—Maternal brother to Aberfeldy Norseman sold to Wm. MacKenzie, Teeswater for \$1825 in the 1950 Sale of Stars. Full brother to Aberfeldy Outlook sold in 1952 sale for \$900 to E. Cockburn, Puslinch, Ont. Calrossie Clipper Hazel by the great Millhills Champion is one of the best brood cows in our herd.

Aberfeldy Paymaster is considered by many visitors as the best son of Crichton Drambuie. Many will remember him as an outstanding prospect running in the field with his dam last fall. He is heavy boned, short legged, thick and blocky with a great head.

He can solve the herd bull problem of a top herd—if his sire wasn't so sure we would never part with the top three or four Drambuie's from this crop.

Aberfeldy Nominee, a full brother is doing an excellent job in the Leroy Brown herd at Lamoni, Iowa.

## they have to be THICK . . .

Are your cattle THICK enough? If not you can correct this by using a son of Crichton Drambuie, above. Note the uniformity of the three Drambuies. They are the first three from left to right.

Your cattle must be thick to meet the demands of the packer for carcass quality. Thickness is one of the most difficult things to breed into a herd. That's why we've made a specialty of it here at Aberfeldy—with the help of Crichton Drambuie and some great cows. If your cattle need to be thicker, we can show you plenty of evidence what a Drambuie bull can do for you.

## with GOOD HEADS . . .

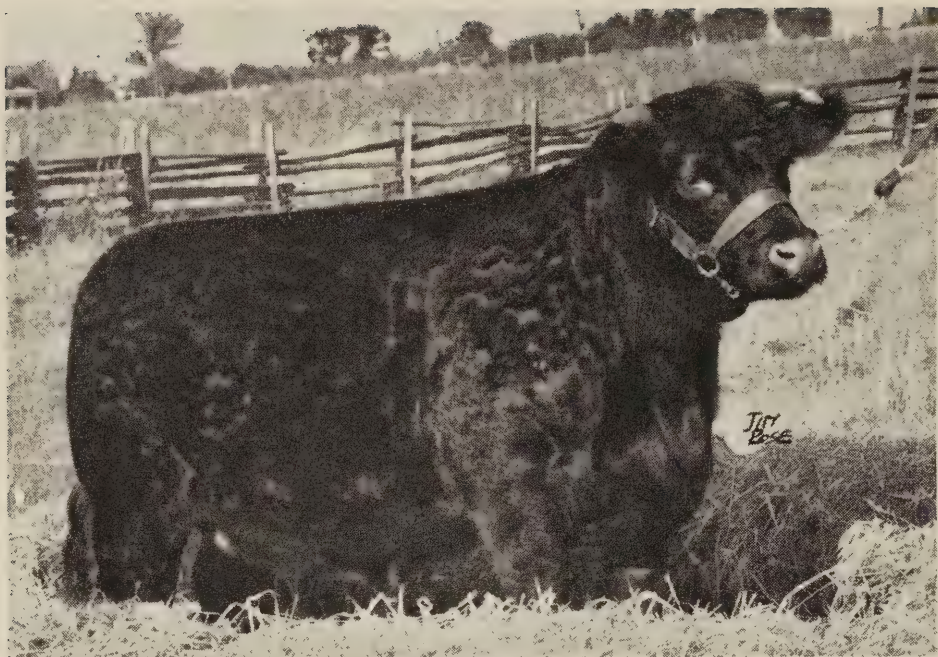

Nothing is harder to sell than a plain headed animal. We don't want any at Aberfeldy. We had an opportunity to start from scratch in 1947 to build a herd of only the kind of cows we wanted. We picked a bull that put the right kind of heads on every calf. If you have a "head problem" start now to correct it with a proven line of "head correctors" . . . the Crichton Drambuies.

First prize junior get of sire 1950 International Livestock Exposition in Chicago. Sire, Crichton Drambuie.

## Twenty-Four Imported Females

At Aberfeldy we have been able to assemble the imported cows we wanted. However, we don't have enough of them. The group of cattle purchased in Scotland last fall and this spring is the best we have brought over. It was our intention to sell eight or ten of these in the 1953 Aberfeldy sale and put the rest in our herd. When Mrs. Gartley, who consigned to our last year's sale, found it necessary to disperse, it left our sale offering short. The only alternative was to put the entire group of imported females in the sale. It is an assembly of Scotland's best. Those who are students of pedigrees will recognize this immediately. The cattle are the kind that justify their background. Note also the great sires of Scotland to which these females are mated. Calves by such bulls at Craggleton Neville, Calrossie High Tension, Bapton Commando, Calrossie Baronet, Chapelton Nimbus, and Craggleton Bilsland can easily pay for the cow and leave a handsome profit to boot.

Reford Gardhouse,  
judge at Perth, 1952,  
being congratulated  
by Captain John Mac-  
Gillivray of Calrossie.

Walshford Rosebud 31st (imp.)—Cruggleton Provan—Calrossie Harmony—Calrossie Sunshine—Calrossie Supremacy. All four are top ranking sires.

We sold a three-fourths sister to M-H Farms in our 1952 sale for \$1800. You could not buy the calf she produced for that figure. This calf is sired by Westdrums Lancaster Chief and is one of his most promising daughters.

Walshford Rosebud 31st will make a real brood cow. She is nursing a splendid red heifer calf by Crichton Drambuie and bred since August 9th to this same sire.

# GUARANTEE

The cattle offered in this sale are from a Federally accredited herd for TB. Females are officially calfhood vaccinated. They are sold with a guarantee to conform to the health regulations of any province or state into which they may go. All papers necessary for shipment to the United States will be provided.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls sold individually are guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with the herd under twenty months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months of date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported. Any cattle in this sale that are fitted for Exhibition purposes by their new owners are excluded from the above guarantee.

4. All heifers are guaranteed to be breeders with the exception of heifer calves sold with their dams.

5. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

6. A certificate of registry in the Dominion Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.

As soon as cattle are sold, they are at owner's risk, but every care and attention will be given them and they will be loaded free of cost.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

**TERMS:** Cash at time of purchase unless other arrangements are made before sale.

The American Shorthorn Breeders' Association requires that a fee of \$100 be paid for each imported animal transferred into its herd books. We are sorry that we cannot pay this, but with 28 imported animals in this sale, the burden of paying this for buyers would be too great. United States purchasers of imported cattle in this sale should take this fee into consideration when arriving at the amount they wish to pay. No extra transfer fee is required for imported cattle in the Canadian herd books.
